

## AUTHORIZED AGENT POLICY

Incidents may occur where you, the owner, will not be available to authorize veterinary care. In some cases, these may be emergency situations where only the barn manager, barn owner, or trainer is present. Mountain Pointe Equine Veterinary Services will not diagnose, treat, or otherwise provide medical services to your animal without appropriate authorization.

Please fill out the information below (and update as needed) for any individual(s) you authorize to make decisions for your animals.
